Tips & Hours

Extra Magic Hours Frequently Asked Questions DISNEY SAYS:

What is the enhanced Extra Magic Hours benefit?

Including new or enhanced benefits for guests staying at a Disney Resort, we have revised the Extra Magic Hour schedule to include time in both the early morning and evening. The new schedule will enable our guests to have more flexibility in planning their theme park experience.

Will the morning and evening experiences be the same?

No. The attractions available during the morning and evening Extra Magic Hours offerings will be slightly different based on the number of Guests we anticipate attending each event.

Who can attend *Extra Magic Hours*?

Both the morning and evening Extra Magic Hours will be available to Guests staying at a Disney Resorts, as well as Guests staying at the Walt Disney World Swan and Dolphin, Shades of Green and the Lake Buena Vista Hilton.

Is there an additional charge or separate ticket required for the *Extra Magic Hours* benefit?

The offering is at no additional charge for eligible Guests with valid theme park admission. If you do not have the *Park Hopper*® Option for your ticket and would like to take advantage of the Extra Magic Hours Benefit, your Theme Park selection must be the Park offering the Extra Magic Hours Benefit that day. Without the *Park Hopper*® Option, you can only visit one Theme Park per day.

Where will the schedule for both the morning and evening offerings be available?

The schedule and available attractions for both the morning and evening Extra Magic Hours offerings will be available to eligible Guests in News, Hours & Extra, distributed to Resort Guests upon arrival.

Why is the evening offering planned for up to three hours as opposed to only one hour in the morning?

We anticipate more Guests will wish to experience the evening Extra Magic Hours. To accommodate our Guests, we have planned additional time for Guests to enjoy the available attractions.

Will FAST PASS be available?

FAST PASS will be offered during the evening Extra Magic Hours as needed on certain attractions. Because of the reduced number of Guests in the park during the morning offerings, we will not offer FAST PASS.

What dining options will be available during the evening Extra Magic Hour?

Several dining locations will operate in each park during the evening Extra Magic Hours. Information regarding the locations that will operate can be obtained by visiting Theme Park Guest Relations or the Resort Guest Services desk. Guests wishing to book priority seating for table dining during the evening Extra Magic Hours may do so by calling (407) WDW-DINE.

How will the park exit work for Guests who are not eligible to remain for the evening Extra Magic Hours?

Park exits will occur similar as they do today. Guests who are not eligible for the Extra Magic Hours benefit will be directed to the park exit upon park close. Locations near the entrance of each park, such as merchandise locations, will follow current closing procedures, which allow Guests some additional time beyond park close.

After the implementation of the revised schedule, will Resort Guests still be allowed to enter the park early if they arrive before the scheduled operating hours?

Resort Guests will only be allowed into the park early on the day of the morning Extra Magic Hour.
